## Experience

### Radancy

Agency specialised in employer branding and career websites

*Capelle aan den IJssel - oct 2014 - Present*

- Lead Front-end web developer - *feb 2021 - Present*  
As lead developer I am in the lead to improve and standardise the frontend, and mentor my frontend colleagues. Introduced nuxt, eslint, stylelint, unit tests with vitest, ci/cd pipelines and WCAG standards.
- Senior Front-end web developer - *jan 2017 - jan 2021*  
As a senior developer I worked closely with the backend and devops team to take the setup to the next level. This included migrations to webpack, vue, api based data, and a private npm package registry.
- Medior Front-end web developer - *oct 2014 - dec 2016*  
Worked on a lot of websites and interactive campaign pages. Most work was done in HTML, Scss, GSAP and jQuery.

### (Non-)Verbaal

Agency specialised in web development

*Rotterdam - jan 2008 - aug 2014*

- Full stack web developer - *aug 2008 - aug 2014*  
Worked on numerous projects as a full stack web developer. Websites were created in a custom framework, based on PHP, MySQL, html, css, jQuery.
- Internship - *jan 2008 - jul 2008*

### Vuurrood
